WELCOME TO AIRCAMP

AirCamp is an exciting online programme designed by UK College of English for young learners (11-17 years old) where students have the opportunity to improve their English skills while learning all about British life and culture.

Highlights

- Individualised lessons: private lessons tailored to each student's level.
- Authentic English learning: a comprehensive English course from the comfort of home.
- Experienced native-speaking teachers: lessons taught by teachers with over 10 years of experience.
- Language in context: students learn to use English in real-world, authentic situations.
- Academic excellence: lessons designed to build solid language proficiency.
- Designed for young learners: engaging materials tailored for students aged 11 to 17.

THE SCHOOL

Located in the heart of London, UKCE offers students a unique learning experience in one of the most vibrant cities in the world. We provide a wide range of English language courses, both in-person and online, designed to help students reach their goals, whether they're preparing for an exam, looking to improve their general English, or seeking private lessons. For more information about our school please visit our website on www.ukenglish.org.uk

AIRCAMP STUDENTS

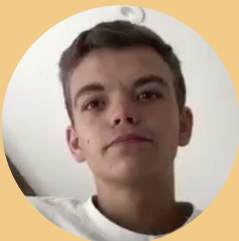

ALINA (16, RUSSIA)

I would highly recommend taking these courses. They really helped me make progress.

EMMA (14, ARGENTINA)

I really like my teacher. She helps me a lot, she's the best!

JEAN (15, FRANCE)

It was really fun discovering the history of London and learning English with my teacher. I have learnt a lot of new things.

AIRCAMP TEACHERS

Emily holds a Master's degree in International Politics from the University of Sydney and an undergraduate degree from the University of Birmingham. With over 15 years of teaching experience, Emily brings a wealth of expertise, having taught high school students in Italy before transitioning to adult education. She specialises in academic and exam English, especially IELTS preparation. She is an enthusiastic teacher and, as someone interested in learning foreign languages herself, can easily empathise and relate to students' learning experience.

Jake, who holds a Master's degree in English Literature from the University of Bristol, has been teaching English for over 10 years. He combines academic rigour with an engaging approach, motivating students to enjoy the learning process while achieving high standards. Known for his friendly demeanour, Jake brings a unique blend of creativity and structure to his lessons. His background as a musician and adventurer enriches his classroom with a sense of curiosity and dynamism, helping students feel inspired to reach their potential.

With over a decade of teaching experience, Shaylyn is an experienced educator with a Bachelor's degree in Music and Education, and a Master's degree in Theatre. Her lessons are student-centred and always driven by communication and personalisation. Shaylyn fosters a supportive environment that encourages confidence, making her classes ideal for students who aim to strengthen their English skills. Her professional background in theatre enhances her ability to engage students effectively, ensuring each lesson is both rigorous and interactive.

Lorena has over 15 years of experience teaching English to students of all ages in England, South America, and online. Her practical understanding of student needs is deepened by her experience as a homestay host. With a Bachelor's degree in Graphic Design, Lorena takes a creative approach to academically focused lessons, incorporating elements of art, music, and film to enhance learning. Known for her engaging personality and academic focus, Lorena helps students build a strong foundation in English.

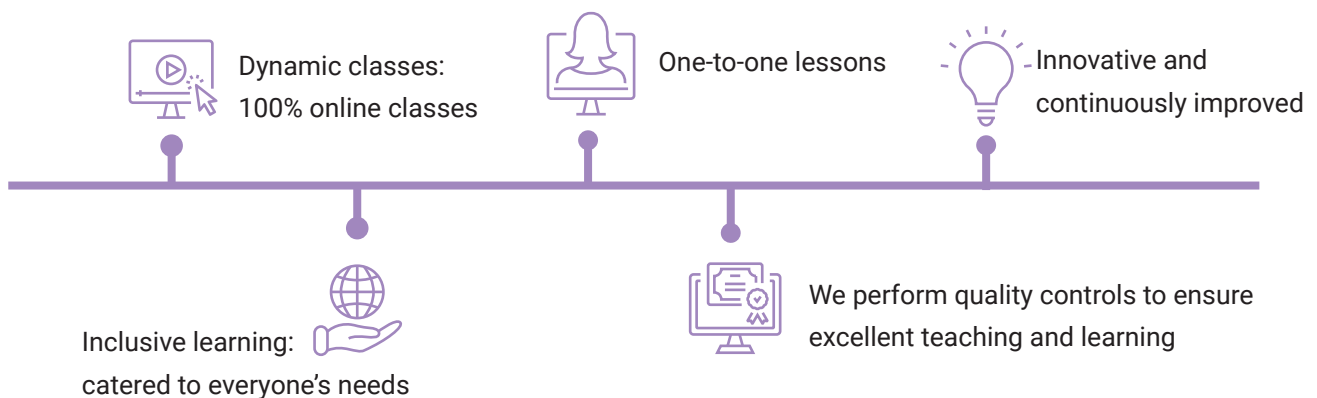

All our teachers are qualified (CELTA or equivalent) to teach English as a Foreign Language, are suitable to work with students under the age of 18 years, trained in safeguarding, welfare and Prevent Duty and hold a recent enhanced DBS certificate (UK criminal background check).

AIRCAMP PROGRAMME

Our communicative classes are designed to foster a dynamic learning environment that covers all four essential language skills: speaking, listening, reading, and writing as well as grammar, vocabulary.

Our communicative programme offers a unique and undoubtedly effective way to improve students' communicative competence.
